“Homeownership Orientations”

March 10th - 7:00 pm at the Freeland Library

March 11th - 7:00 pm at Whidbey General Hospital in Coupeville

March 17th - 7:00 pm at the First United Methodist Church in Oak Harbor

Saratoga Community Housing is identifying potential homebuyers for our Community Land Trust (CLT) homes. Becoming a homeowner is a multi-step process. Attending a “Homeownership Orientation” is the first step and is mandatory for submitting an application and being placed on our homebuyer waitlist.

During the Homeownership Orientation we:

- Review the traditional Community Land Trust (CLT) model
- Walk through the steps involved in CLT homeownership
- Unveil projects SCH has in the works
- Provide homeownership packets and applications

We recommend that anyone, of lower to moderate income, who is interested in buying a home now or in the future, attend. We also invite anyone who wants to learn more about SCH and CLTs to join us.

Orientations are free and all are Welcome
